Sales Tax
Setting Up Anon Matching Rules

AGENDA

- **Assumptions**
  - Your tax settings have been imported from you ERP
  - Your tax settings are correct
    - You know where you need to charge tax (and to what level – i.e. state, county, city)
    - You have ALL tax authorities set up with proper rates
- **Setup**
  - Web Driver > Sales Tax > Manage Tax Schedules
  - Edit Each Schedule and Set the Anon User Settings
